**Jurors have evaluated entries and finalized their scores;
CODAwards People's Choice voting is open**

Madison, WI, 6/20/2022

The top 100 projects of the 10th CODAwards, organized by CODAworx, the hub of the commissioned art economy, have been selected. From 406 submissions totalling \$94 million USD in

commissions, the highest-scoring projects were chosen. Public voting to decide the 2022 CODAAwards People's Choice winners opens on June 20th, 2022. The two projects that receive the most online votes in the voting period will win the CODAAwards People's Choice awards. [Casting a vote for a project](#) can be accomplished by clicking the "Vote" button below a project. Voters may vote for as many projects as they desire, but can only vote once per project. The **deadline to vote for the 10th CODAAwards People's Choice awards is June 30th, 11:59 p.m., CT (GMT -5:00)**.

The 2022 jurors, thought leaders in the design and art worlds, evaluated entries on their recent placemaking impacts at a location, the levels of cooperation involved in their creation, and on how well the projects inherently merge art and design concepts. The Collaboration of Design + Art (CODA) is a fundamental consideration for CODAAwards jurors, and the Top 100 are outstanding examples of this principle.

Winners of the 10th CODAAwards are invited to CODASummit: Art, Technology and Place this October in Denver, CO, for the CODAAwards Celebration Party. Dedicated to the values of the CODAAwards, the party will shine a spotlight on winning collaborations between artists, design professionals, and other members of the project teams with a high-energy, fun-filled party including cocktails and food, a short awards program, music, dancing, and mystery guests on Friday, October 14th, the closing evening of CODASummit. Tickets to this event are included with CODASummit registration. In 2023, the Octagon Museum in Washington, D.C. will also host an exhibit about the 10th CODAAwards winners.
